## REMARKS

In response to the Restriction Requirement of May 11, 2006, Applicants hereby elect Invention I, Claims 1-4 and 9, drawn to a sex pheromone sustained release dispenser.

Applicants have withdrawn Invention II, Claims 5-8, drawn to a method for controlling an insect pest. This election is made without traverse as Applicants agree with the Examiner that the canceled claims are patentably distinct from the elected claims.

The title has also been changed to conform to the election of Claims 1-4 and 9.

The Examiner is encouraged to contact the undersigned directly if such contact will expedite the examination and allowance of the pending claims.

Respectfully submitted,

P. Michael Sajovec
